Food and Nutrition Service,
United States Department of Agriculture

Proclamation to End Hunger

WHEREAS, eliminating hunger will give all people at all times enough food for an active, healthy life; and

WHEREAS, nutrition assistance services are available in the Miami-Dade area from a network of federal, county, community and volunteer resources; and

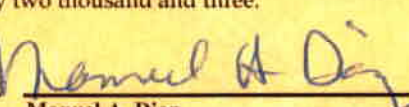

WHEREAS, there is a need for all nutrition assistance services, the business community, faith-based groups, and non-profit agencies to form a partnership to work together to eliminate any institutional barriers that prohibit coordinated access to available food and nutrition services by all eligible individuals and households, and to work together with other partners to eliminate hunger for all residents of the Miami-Dade area.

Now, therefore, We, The Undersigned, do hereby proclaim that we will work together collaboratively to develop a regional Plan to eliminate hunger and enhance self-sufficiency of the residents of our state.

IN COMMITMENT THEREOF, we have hereunto set our hand the 30th day of July two thousand and three.
